

UMKC HENRY W. BLOCH
SCHOOL OF MANAGEMENT

SPACE USE REQUEST GUIDELINES

FALL 2025

Welcome to the Henry W. Bloch School of Management at the University of Missouri-Kansas City offering undergraduate, graduate, and executive non-degree education.

Our mission is to use experience-based learning to develop problem-solvers and entrepreneurial leaders who can leverage technology for a changing world. We provide pathways to career success, engage with partners from across the community, and build thought-leadership to support all of our stakeholders.

Our vision is to serve as the region's premier business school for supporting innovation and organizational transformation, expanding access to rewarding careers, and fostering inclusive prosperity.

BUILDINGS

The UMKC Henry W. Bloch School of Management campus encompasses Bloch Heritage Hall and Bloch Executive Hall for Entrepreneurship and Innovation. A \$17M renovation was recently completed in Bloch Heritage Hall with redesigned classrooms, new classroom space, breakout rooms, and the latest educational technology to support engagement and flexibility. Bloch Executive Hall, a Gold LEED Certified building, opened in Fall 2013, with multiple flexible and active learning classrooms, seminar rooms, finance lab, indoor amphitheater, and 200-seat auditorium. The facilities are strictly for educational use and are not available as an event venue.

SPACE USE REQUESTS

The Bloch School reserves the right to approve internal campus and external constituent space use requests deemed appropriate and in support of the Bloch School's mission. Priority will be given to Bloch School programming and classes, student organizations, internal meetings and events. We will review space use requests for student organization tabling, meetings, and events, and internal campus lectures, meetings, presentations, competitions, training sessions, and program related social events.

Campus requests will be reviewed only for the current semester. No request will be accommodated for planned use taking place less than two weeks from receipt of inquiry. Future term requests will be considered only once classes are visible in the scheduling program.

If the University is closed due to inclement weather or any other reason, all scheduled events will be cancelled.

The Bloch School will not accept any requests for activities structured around a particular religious faith or doctrine, political activity or lobbying, wedding ceremonies or receptions, showers, youth parties, recitals, reunions, fundraisers, and social events outside the scope and mission of the school.

In addition, no groups and meetings will be accommodated where the event organizer/organization is charging attendee registration fees. Exceptions may apply with approval.

At this time, the Bloch School is not accepting space use requests from external parties. Only events where there is an internal host (Bloch School or campus) will be reviewed. Internal hosts are expected to be onsite for the entire duration of any approved space use events and are responsible for all event logistics, including, but not limited to, parking, set up, tear down, and trash disposal.

CONTACT INFORMATION

To inquire and request space use at the Bloch School, please complete the Space Use Request form and send to blochevents@umkc.edu. A team will review space use requests every two weeks. Campus requests will be reviewed only for the current semester. No request will be accommodated for planned use taking place less than two weeks from receipt of inquiry.

TRASH

Place all trash and event debris into lined garbage cans located throughout the buildings. If meetings and events include catering, large trash can rental orders must be arranged. Charges include placement of empty cans at the rate of \$60 per trash can, per day. All catering and event trash is the responsibility of the event organizer and must be taken to the dumpsters located in either north Lot 19 or west Lot 12 (accessible through BHH 107 dock door) at the conclusion of the event.

BUSINESS SERVICES

Due to limited staff resources, we are unable to provide any conference center business services, including copying, printing, scanning, receiving deliveries, storing items, locking and unlocking rooms, and providing miscellaneous office and catering supplies, as well as staff assistance for meetings and events set up and tear down.

MEETINGS AND EVENTS SET UP AND TEAR DOWN

The event organizer/organization will be responsible for the room layout and moving furniture (only in spaces with movable furniture) to accommodate their event, plus resetting the furniture when the event concludes. Classroom furniture is specific to room capacity and fire code. Only a few event spaces can be reconfigured. Unless stated, no reconfiguration or rearrangements are allowed. Classrooms with media carts require arranged IT staff assistance to disconnect, move, and reconnect equipment. In addition, furniture must remain inside the reserved room unless special arrangements have been approved. No furniture removal from other classrooms and spaces is permitted.

No internal building furniture will be moved to outside areas to accommodate space use requests. It will be the responsibility of the requesting party to arrange for outdoor furniture rental if needed.

Cleanup/Space Reconfiguration Fee – If Bloch School has to order additional cleanup services after the meeting or event, including removal of signage, event materials, trash, etc., the fees for those services will be charged to the organizer/organization. For spaces with movable furniture, all furniture must be returned to the original configuration of the space; otherwise, a \$250 space reconfiguration will apply.

SIGNAGE AND DECOR

All promotional materials, signage and decorations must be pre-approved. Organizations and individuals using the space must remove all signage and materials upon conclusion of the event.

PRINTED FLYERS

All printed promotional flyers for events must be approved and stamped by the UMKC Office of Student Involvement in the Student Union. Please only hang signage on appropriate announcement bulletin boards. The Bloch School reserves the right to remove any signage that is placed in unapproved locations.

DECORATIONS

No decorations may be used that will cause damage to the space, i.e., no staples, nails, pins, tape on frosted windows, etc. are allowed to hang decor. All decorations used inside of the building must be nonflammable materials or fireproofed. All decor must be removed and appropriately disposed of after the event is complete.

DIGITAL SIGNAGE

To promote your upcoming event on the digital signage in Bloch Executive Hall, please contact blochevents@umkc.edu. All promotional digital signage is subject to approval.

Digital signage for the Bloch Executive Hall media wall must be designed to the following specifications:

- 3840 x 2160 pixels, 72 dpi (horizontal, 16:9 ratio)
- Acceptable file types include: JPEG; PNG
- NOT ACCEPTABLE: Scanned material; PDF, PPT, Word and Microsoft Publisher docs

Tabling in Bloch Executive Hall Atrium is not permitted near the media wall. Tables should be positioned immediately in front of amphitheater seating or near the north or south doors.

CATERING

Event organizers may use any licensed caterer authorized to serve food in Kansas City, Missouri. A campus-approved option is Flavours by Sodexo, available at UMKC.catertrax.com.

Catering is permitted in all rooms. However, events with catering require special trash arrangements. Rental charges apply for large trash cans, and the hosting party is responsible for removing all food, beverages, and related waste at the event's conclusion. Trash must be disposed of in designated dumpsters around the buildings.

Event planners must provide accurate delivery instructions to their caterers. Bloch staff cannot accept or be held responsible for misdirected catering deliveries. Catering vehicles may not park in circle drives, and hosts must arrange and cover parking costs for vendors in accordance with campus parking regulations.

The Bloch School does not supply linens, utensils, servingware, cups, or ice. These must be obtained through the caterer or separately by the event host.

ALCOHOL USE REQUESTS

If your event will include serving alcohol beverages, please communicate that in your request and then complete the alcohol approval form and process. Any alcohol use in association with events at the Bloch School must be done with the permission of the Dean and the Office of External Relations, obtained a minimum of two weeks prior to the event. If approved, the alcohol must be served by Sodexo catering bartenders, and the event planner is responsible for ordering bartending services directly through Sodexo at UMKC.catertrax.com.

Please review the campus policy for full details. Please note that events serving alcohol may not be held adjacent to classrooms that are in session. Additional surrounding classrooms may need to be reserved in addition to approved alcohol use spaces for the Bloch School: Bloch Executive Hall 331 and 413, and Bloch Heritage Hall Arthur Mag Conference Room and Marion H. Bloch Terrace and Park.

MEDIA, PHOTOGRAPHY, AND PUBLIC RELATIONS

For internal space use requests, please reach out to [UMKC Strategic Marketing Communications](#) for assistance with media relations and photography needs.

Contact [UMKC External Relations](#) if requesting an appearance of an elected official to speak at or attend a campus event. See [Elected Official and Candidate Protocol Reference Guide](#).

Meetings and events must not disrupt classes taking place throughout the building. Amplified sound is prohibited in the atrium if classes are in session anywhere in Bloch Executive Hall. Group activities that may generate significant noise, such as pep rallies, cheering, or music, are not permitted in the atrium unless approved in advance.
