Master of Science in Entrepreneurial Real Estate (M.S.E.R.E.)

A Bloch M.S.E.R.E. degree will give you the knowledge and cutting-edge tools necessary to succeed in the real estate industry.

Our team can help you:

- Advance your career in the real estate field
- Learn skills applicable for brokerage, finance, property management and development
- Prepare for certified real estate exams

ADMISSIONS REQUIREMENTS

You must have completed a bachelor’s or first-level professional degree from a regionally accredited institution.

The GMAT is not required for professionals in a related field or for applicants who meet one of the following criteria:

- Undergraduate degree from an AACSB-accredited school with a 3.00 cumulative or in-major GPA
- STEM-related undergraduate degree with a 2.80 cumulative or in-major GPA
- Undergraduate degree with a 3.40 cumulative or in-major GPA
- Graduate degree

Automatic admission may be granted to applicants under the following two conditions:

- 600 on the GMAT (or equivalent score on the GRE)
- 500 GMAT (or equivalent score on the GRE) with a 3.00 cumulative or in-major GPA

The Bloch School’s GMAT code is F77-XF-18.

HOW DO I APPLY?

Applying for the Bloch M.S.E.R.E. is easy! Just follow these steps:

- Visit umkc.edu/apply to complete a UMKC application and pay the $45 application fee.
- Submit transcripts from all universities attended to the UMKC Office of Admissions. If electronic transcripts are available, they should be sent to umkc-admtranscript@umkc.edu.
- Sign up for the GMAT at mba.com if you do not meet the admissions requirements listed above.
- Submit a current resume and one-page goal statement describing your career plans and how a M.S.E.R.E. will help you achieve them.

Priority admissions deadlines are as follows:

- Fall: July 15
- Spring: December 1
- Summer: May 1

Need help with the application process? Contact blochgrad@umkc.edu.

Electives:
- Students will take nine hours of electives approved by the Academic Director.
- Students can use electives to satisfy specific career needs.

“Gaining my Master of Science in Entrepreneurial Real Estate set me apart from other candidates in the real estate industry. It showed that I was invested in my career as a professional. The degree offered the opportunity to learn alongside professionals in the community as well as other markets to expand my knowledge and perspective on real estate. We went beyond just transactions and explored finance, law and planning, which are all scopes of real estate that have given me an advantage in my profession.”
