

How to Access the Bloch Launchpad Application

You can access the Bloch Launchpad Application by logging into your status page at futureroo.umkc.edu/status. You will use the same email address and password to log into your status page that you established when first applying to UMKC (this will be different than your UMKC SSO and password).

Login to Your UMKC Application Account

Log in with the email account you used when creating your application.

If you received an email from us prompting you to log in, use that email account.

To log in, please enter your email address and password.

Welcome to your UMKC Status Page, Scottie!

Thank you for applying to University of Missouri-Kansas City! You have applied for the **Fall 2021** term as a **First Time College** student for the **Business Administration BBA - Finance** academic program.

FORMS

Required

After clicking on the Bloch Launchpad Application, you will select one of the three question options and respond to the question in 500 words or fewer. Your response will allow the Bloch Launchpad Selection Committee to learn more about you. Please be sure that your response addresses all parts of the question with as much detail as possible.

Make Your Education Your Own

Bloch Launchpad is a unique program for Bloch School students that blends both valuable scholarship opportunities with invaluable professional development experiences.

If you would like to be considered for selection as a Bloch Launchpad Scholar, please select one of the three questions below to answer in 500 words or less.

- Tell us about the activities you take part in outside of class/school. Why are these activities important to you and what have you learned through your participation?
- What excites you about a career in business or accounting?
- Think of a time when you faced a challenge, obstacle, or failure. How did you overcome the challenge, and what did you learn from the experience?
- No, thank you. I would not like to be considered for Bloch Launchpad.

Submit Cancel

After you're finished with your response, please click submit.
